

Treasurer's Report
CAWRA AGM 27 June 2018

OVERVIEW

A copy of the accounts for the last year can be found on the website, and there are a couple here on the table for you to have a look at.

The top section is self-explanatory.

The middle section is, as it says, a projection of what we estimate in terms of financial movement for the next year. We will be applying for this year's £300 grant from the council in due course.

The bottom section is worth noting; this shows other expenditure which would have been necessary but for the generosity of this Community Church, Peels 4 U and BDC funding, so a big thank you to these bodies.

PROJECTS FOR 2018-2019

We are in the process of examining plans to develop the strip of land adjacent to the Church car park, and make it a community amenity we can all enjoy. We would be grateful for any suggestions for what **YOU** would like to see, or not like to see, for that matter. There are certain Council restrictions of what we may and may not have, and we shall work within that framework.
